

Document shredders DAHLE CleanTEC® 41622

- User-friendly document shredder for large volumes
- Unique DAHLE CleanTEC® filter system
- User-friendly DAHLE Safe Technology safety package with permanent paper volume detection capability, automatic acoustic shut-down function and integrated oil tank on all models providing cross-cut shredding
- Clearly designed, user-friendly control panel
- Electronic start-stop function
- Convenient automatic reverse function
- Convenient feed and reverse function
- Automatic motor cut-out
- Energy-saving sleep mode after 10 minutes at idle and automatic shut-down after 30 minutes
- High-quality solid-steel cutters
- Powerful motor
- Extremely quiet operation
- Separate CD feed and waste container
- High-quality wooden cabinet
- Wide-opening doors
- Convenient swivel casters
- Separate main switch
- IEC power connector
- 11 strong waste bags included
- Dimensions (H x W x D): 960 x 734 x 511 mm

High-volume document shredders: maximum performance to meet high expectations.

Entry width 400 mm

Waste collection volume 160 litres

Wattage 1650 watts

Cross cut

Convenient swivel casters with brake for reliably keeping the document shredder firmly in place

Carries the GS Intertek test mark

Unique DAHLE CleanTEC® filter system

Energy-saving sleep mode after 10 minutes at idle and automatic shut-down after 30 minutes

Extremely quiet operation for a particularly pleasant working atmosphere

Permanent measurement of paper volume ensures uninterrupted shredding.

Integrated oil tank for controlled, automatic lubrication of the cross-cut cutters helps to lengthen service life while keeping performance

35-year warranty on the cutters

Document shredders DAHLE CleanTEC® 41622

Standardised entry widths take all common paper sizes

Integrated oil tank for controlled, automatic lubrication of the cross-cut cutters helps to lengthen service life while keeping performance constant

Paper quantity sensors prevent the document shredder from starting if too much has been fed in to avoid paper jams

Separate feed opening for CDs, DVDs, cheque and credit cards guarantees reliable shredding of optical, magnetic and/or electronic data carriers

Environmentally friendly oil is always easy to access, included with all cross-cut models

Unique DAHLE CleanTEC® filter system filters and effectively binds fine dust particles to create a better indoor environment.

Detachable IEC power plug makes the document shredder quick and easy to move from A to B

High-quality, solid-steel cutters in special steel for a guaranteed long service life

P-5 security: recommended, for example, for data media containing secret data
